

The community magazine for Waverley and the AMP

Wave Magazine is an A5 size lifestyle publication delivered free to over 2000 homes and business across the Waverley development and Advanced Manufacturing Park in Rotherham, with additional copies delivered to other local business centres and the Winter Green Pub.

Also circulated online across various social media platforms, the magazine is growing not only in size but also in reach.

The magazine is published every two months and provides a link between the residential and commercial activities taking place at Waverley, keeping residents informed of future developments, local news and general interest stories.

It is published by one of the first Waverley residents, Brendan Hall of Hallmark Branding Ltd.

As an advertiser, you will be getting your message delivered to every home on the development, plus employees and visitors of the AMP and the Winter Green.

Over the coming years, the Waverley development will be home to around 4,000 properties plus further commercial and retail development, so as Waverley grows, so can your business!
